Las rayaduras del producto en la superficie blanca, cubierta con una capa de pintura de imprimación, no afectan las características esenciales del uso del producto - no constituyen una base para reclamaciones ni están cubiertas por la garantía del fabricante. La capa de imprimación sirve para ser recubierta con una capa de pintura final u otro material de acabado final elegido por el cliente.

Scratches on a white surface covered with a primer paint do not affect the product's essential functionalities - they are not a basis for a complaint and are not covered by the manufacturer's warranty. The undercoat layer is used to cover with the target paint coat or other target finish material chosen by the customer.

Se recomienda seguir estas instrucciones utilizando las herramientas adecuadas y de acuerdo con las indicaciones. En el caso de elementos cuya superficie pueda ser afilada, se deben utilizar equipos de protección individual y asegurar el área de trabajo. La empresa se exime de responsabilidad por las acciones resultantes de no seguir estas instrucciones.

It is recommended that you follow these instructions using the appropriate tools as indicated. In the case of elements whose surface can be sharp, use personal protective equipment and work area protection. The company Laguna Hardware Factory Limited Liability Limited Partnership refrains from liability for actions resulting from conduct incompatible with this instruction.
